

Need a Quotation from Bilco UK?

Guidelines to Providing the Required Information

We understand you are busy, and need a quote for our market leading roof access products as fast as possible. So to help you as quickly and efficiently as we can, please read our guidelines below which will help you to supply us with the correct information needed for us to provide your quotation.

» Information we need from you:

- Your name
- Company name
- Postal address, including post code
- Telephone number, ideally landline and mobile
- Project name
- Project address in full

» Additional useful Information for Smoke Ventilators

- The structural opening size on the roof
- The amount of clear vent area you require

» Additional useful information required for Roof Access Hatches

- The structural opening size on the roof
- Manual or Powered operation

» Additional useful information required for Ladders

- Type of ladder
- Climb height for a fixed vertical ladder

» Additional useful information required for Floor Doors

- Structural opening
- Floor door type
- Type of installation

If you are unsure about any of the requirements listed above, please don't hesitate to contact our technical estimator who will be happy to talk it through with you.
